MODEL AND PARTNER AT
THE COLD PRESSED JUICES

Favorite restaurant in Miami: Smith & Wollensky to eat, have a drink and watch the sunset. And Swan. You always run into celebrities there.

The local designer with the cutest bikinis is... Luli Fama. **A night out on the town starts with a...** lychee martini at Nobu or a Bellini at Cipriani. I'm not really into clubs, but if I want to go dancing I go to Bãoi. It's a restaurant with music and turns into a lounge around midnight. **Go-to workout:** Barry's Bootcamp. **Best way to beat the Miami traffic is in a...** blacked-out Porsche Panamera Turbo.
